**CAS COURSES**- Members must have 6000 documented work hours in the **INDUSTRIAL COATINGS** industry AND attend a CAS Prep course to sit for these exams. Application is due six (6) weeks prior to the date of the course. You can download the application from the website on the TRAINING page or contact the training department

**AGMT**- Members must have 7500 documented work hours in the **GLAZING** industry, possess an OSHA 10 or 30, and sit for an AGMT Prep course to attend these courses

**OSHA 10 and 30**- These are becoming increasingly necessary to work on most jobsites. Even if you currently have one of these credentials, please consider updating it. End users and general contractors are requiring one that was completed within the past five (5) years

Renewals are for Aerial Lift or Telehandler only if you have been previously certified

OSHA 10- Must attend 2 days to receive the certification

OSHA 30- Must attend 4 days to receive the certification

As always, please contact us if you have any questions or concerns

**\*\*\*\*\*Physicals without training will NOT qualify for STAR credit\*\*\*\*\***

**\*\*\*\*\*While registering please check location to make sure you have the correct facility\*\*\*\*\***

We hope to see you in our classrooms in 2025. A trained workforce will keep us at the forefront of our industries and strengthen our Union!
